Geography	Map Skills. Draw a map of your local area using a bird's eye view. Think of the street what does it look like? Think of the main buildings along the street? What about the different houses? The amenities? Football pitch? The pavillion? Think about the 'Dream House' activity we did in maths use what you learned in that to help you. OR why don't you design your own 'Dream Town'. Draw a map of what your dream town might look like? It must have a main street with different shops and buildings. Add in as much detail as you like. Will you have a sports ground? A cinema? Maybe a woodland park ? All you need is a blank page,a ruler,pencil and colours. Check out Seesaw for some examples to inspire you.					
Other Curricular Areas, Pupil's choice	Use some of the resources/links on the school website. Try a range of the activities across different subject areas to learn a new skill, create a new piece of art etc. Sample activities a pupil may choose to do: Learn to Type. Map work identifying countries/capitals. Go outside and get some fresh air, follow Joe Wicks, The Body Coach, on YouTube for some great fun activities.
