SESE - Spring

Tá an tEarrach Linn. Spring is here!

February 1st is considered the first day of Spring.

1. Complete the spring checklist below to show what signs of spring you notice while you are outside this month.
2. Upload a photo that you took on your walk-something that made you think of the season of spring when you saw it. I will upload mine to seesaw also.
3. February 1st is St Brigid's Day. Look at a powerpoint on Seesaw to learn all about her. Can you make a St Brigid's Day cross? If you have access to some rushes follow this youtube video to help you. There are a few different types:

You can always do these crosses with pipe cleaners if you don't have rushes. They definitely take a bit of practise but have fun trying.

New Vocabulary - Practice these words each day. I will go through how to say them on Seesaw. Go over the words from last week again and practise the new ones also.
