Geography Developing Map Skills	Draw a map of your local area using a bird's eye view. Think of the street what does it look like? Think of the main buildings along the street? What about the different houses? The amenities? Football pitch? The Pavillion? We already did an activity like this in the first home schooling can you improve on what you did last year? Can you add in more detail? OR Why don't you design your own 'Dream Town'. Draw a map of what your dream town might look like? It must have a main street with different shops and buildings. Add in as much detail as you like. Will you have a sports ground? A cinema? Maybe a woodland park? All you need is a blank page,a ruler,pencil and colours.
Other Curricular Areas, Pupil's choice	Use some of the resources/links on the school website. Try a range of the activities across different subject areas to learn a new skill, create a new piece of art etc. Sample activities a pupil may choose to do: Learn to Type. Go outside and get some fresh air, follow Joe Wicks, The Body Coach, on YouTube for some great fun activities.
