

Suggested Schedule of Work Mon 8th to Fri 12th February 2021
Junior Infants Mrs E.O'Donoghue

Completed work can be submitted to the class teacher via the SeeSaw online platform.

This online platform will enable the class teacher to give individual feedback to each pupil on work completed.

Pupils will not be able to see other pupil's work. They will only be able to see/access their own work.

Go outside and get some fresh air.

Jolly Phonics e-readers

This is a great resource for extra reading.

The screenshot shows the Jolly Phonics website with a yellow header. The header contains the Jolly Phonics logo, navigation links (ABOUT US, SHOP, RESOURCE BANK, TRAINING, EVIDENCE, CATALOGUE, CONTACT), a search bar, and a basket icon showing 0 items for \$0.00. Below the header, a banner reads "Jolly Phonics e-readers now available!". Underneath, there is a grid of ten e-reader book covers with titles like "What's in the Box?", "The Wind and the Sun", "Duck Gets Stuck", "Sharks", "A Hopping Frog", "Tom Mouse and Country Mouse", "Phonics 101", "Captain Sam", and others. A red banner across the grid says "Jolly Phonics e-readers available now!". Below the grid, text announces that all Jolly Phonics Readers are now available as e-readers for Android and Apple devices, free until 31st May 2021. It also mentions that 93 books across 5 levels of decodable readers are available to support children's reading skills remotely.

Reading Eggs

This has been made free for 30 days. Another great resource for extra reading.

The screenshot shows the Reading Eggs website. The header features the Reading Eggs logo and the tagline "Where children learn to read!". Below the header, there is a large banner with a cartoon character and the text "Learn to Read in Just Weeks with Reading Eggs". To the right of the banner, there is a "Start your FREE 30-day trial" button. Below this button, there is a form with fields for "Email address" and "Password", and a "Get Started" button. A checkbox labeled "I agree to the Terms of Use and I have read and accept the Privacy Policy." is also present. Below the form, there is a paragraph of text explaining the program and its benefits, including that it is grounded in solid educational research and covers five aspects of reading: phonics, phonemic awareness, vocabulary, comprehension and fluency. It also mentions that the program has over 2500 children's books in the online library and that over 10 million users worldwide have launched their child's reading journey with Reading Eggs.
