<u>Project</u> Complete a project on a country of your choice. It can be a country you would like to visit, or a favourite place you have visited before. Think about these questions: Where is it? The country flag? What language do they speak? What is the weather like? Some interesting geography features e.g. mountains/rivers/monuments, are there any famous people from here? Can you include a map of the country? Any interesting facts? What is the food like ? What fun things could someone do if they visited here. See a fact planning sheet below to help you get planning. Remember it is a good idea to make a plan/brainstrom first. I will put up some images and examples of projects on seesaw to help you. Have some fun finding out about a new country.				
<u>Maths</u> Mathematics Complete assigned activities			Midterm	Midterm
<u>Challenge</u> Upload to see saw	Tuesday is pancake Tuesday or Shrove Tuesday. The day before Ash Wednesday. If you are making pancakes, share a picture, video or audio clip saying what your favourite pancake topping is!
