4th September 2026

Dear Parents and Friends,

I hope you have each had a pleasant summer break with an opportunity to 'pause' and rest.

September typically brings cooler days with a change to the season, and a sense of new beginning. For all of us it is a new time, and a time for something new. As we begin our new school year, I want to take this opportunity, on behalf of the School Board of Management, to firstly welcome our current students back to school, and secondly, warmly welcome our Junior Infants and all new students to our school community here in Lisdoonvarna.

St Enda's NS is a happy and welcoming school community in which every child is equally valued. We are privileged to have such a highly dedicated, talented and caring group of Teachers and SNA's who, under the leadership of our School Principal, Mr Carty, continue to show unwavering commitment to advancing the development and potential of every child.

The Board wish each one of our new students every success and happiness as they embark on their new school journey and, to all our students and parents, may this new school year be a positive and fruitful one for you all.

Improvements continue to be made throughout the school, including the purchasing of new classroom furniture and new external signage, and works are underway on the final phase of completion to the sensory garden space. All of these works is designed to enhance the quality and standard of our school environment and improve each student's learning experience. As such, the School Board of Management remains fully committed to both supporting and progressing such continued improvements for the benefit of all.

D. Cullen
